**SECTION 403 (r) (6) NOTIFICATION**

Dear Sir or Madam:

In accordance with the requirements of section 403 (r)(6) of the Federal Food, Drug, and Cosmetic Act, Immmu, Inc. notifies FDA that it has begun using the following statements:

Dietary Supplement-Promotes free urinary flow; Enhances prostatic well being; Supports prostate health; Lycopene nutrient (an important preventative); Provides and helps prostate with unique and proven nutrients. Nutritional and dietary habits, elevated cholesterol, and age related hormonal changes are believed to impact prostate health. Product statements assume use within context of good dietary practices. Consult your doctor if you are experiencing prostate problems.

Ingredients: Saw Palmetto, Pygeum Africanum, Zinc, Pumpkin Seed, Panax Ginseng & Lycopene

which contain the statutory statement, on the following products:

Immmu Pro

I certify that the foregoing is complete and accurate, and that Immmu Inc. has substantiation that the statements are truthful and not misleading.

Very truly yours,

Immmu Inc.
